

Informational Interview Questions

You can learn a lot about a job by talking with a professional who works in the field. Set up an informational interview and talk about what he or she likes and doesn't like about the job. Consider asking these questions during the interview.

1. Why did you choose this career?
2. What education and other qualifications are required for your job?
3. What previous experience helped you prepare for this job?
4. What are the tasks you must complete on a daily basis?
5. What is your favorite part of the job?
6. What is your least favorite part of the job?
7. What is most rewarding about your job?
8. What is most challenging about your job?
9. What types of companies hire for this type of work?
10. What advice do you have for someone pursuing a job in this field?
